

18th March 2020

Following government advice, and in the interest of safety for the young people and our team, we have reluctantly decided that we must suspend our youth sessions and family visits which attracts upwards of 80 young people from across the area.

We are continuing to support those most at need in these very difficult times and will be looking at creative ways to further support young people, their families and the wider community in whatever ways we can. We are looking to work closely with the local authority and public health to ensure we can make maximum impact and avoid duplication.

If you need to contact SWAY Please email us on swayoffice1@gmail.com or contact our Lead worker Andy Dorning 07552236067 or Family worker Jennie Burke 07483231216

In this rapidly evolving situation, we will ensure news is updated regularly on the website here.
